

Email note to interested parties:

A draft NIST Special Publication (Draft SP 800-90, *Recommendation for Random Number Generation Using Deterministic Random Bit Generators*) is available for public comment at <http://csrc.nist.gov/publications/drafts.html>. Comments should be submitted to ebarker@nist.gov by Wednesday, February 1, 2006. Please place "Comments on SP 800-90" in the subject line.

Instructions to Patrick:

Please place the following on the csrc page:

December 16, 2005: A draft NIST Special Publication (Draft SP 800-90, *Recommendation for Random Number Generation Using Deterministic Random Bit Generators*) is available^[EBB1] for public comment. Comments should be submitted to ebarker@nist.gov by Wednesday, February 1, 2006. Please place "Comments on SP 800-90" in the subject line.

The draft document is attached.

Instructions to Larry Bassham:

Please place the following on the <http://csrc.nist.gov/CryptoToolkit/tkrng.html> page:

A draft NIST Special Publication (Draft SP 800-90, *Recommendation for Random Number Generation Using Deterministic Random Bit Generators*) is available^[EBB2] for public comment. Comments should be submitted to ebarker@nist.gov by Wednesday, February 1, 2006. Please place "Comments on SP 800-90" in the subject line.

Patrick will be placing the document on the drafts page.
