Barker Iron Key ~~SP-900-22-11111~~ (Gateway)

NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY

FOIA #2014-000488

3 records consisting of 171 pages or electronic files

TYPE of Release (check only the applicable type for the attached group of records):

- ☒ Release in entirety *ebb*
- ☐ Release with the exception of portions non-responsive to the request, as noted
- ☐ Release with redactions
- ☐ Withhold in entirety
- ☐ Originated with another agency or organization:
- ☐ Agency/Organization Name _____
 - ☐ Individual Point of Contact _____
 - ☐ Street Address, City, State, Zip _____
 - ☐ Phone Number _____

EXEMPTION (check only the applicable exemption(s) for the attached group of records):

- ☐ (b)(2)
- ☐ (b)(3) List applicable statute _____
- ☐ (b)(5)
- ☐ (b)(6)

Instructions: Gather all responsive records and sort into different groups by type of release and by exemption. Use a different cover sheet for each type and exemption, check appropriate boxes. For example, if you have a group that can be released in its entirety, a group to be released with redactions using an exemption and a group to be withheld in its entirety, then you will need to use three distinctly different cover sheets.

(MANDATORY) I confirm that the attached responsive records have been reviewed and a foreseeable harm analysis has been completed in making disclosure determinations on the records provided. Name of person most knowledgeable with the issue of foreseeable harm:

Al H
Signature

4/24/14
